Certificate Issued on: May 30, 2024

1. This certificate indicates that the aforementioned company's cardholder data environment has been validated against the PCI DSS on May 30, 2024 (RoC report date).
2. This certificate is subject to validation conditions as laid out within the PCI DSS audit and assessment procedures. Any queries please contact at pcidss@isecauditors.com.
3. This certificate shall not warrant or guarantee to any third party that validated cardholder data environment is invulnerable to attack or compromise. Internet Security Auditors will not be liable to any third party in the event of loss or damage caused by any failure or breach in the validated cardholder data environment.
4. This certificate is issued by Internet Security Auditors and is not officially sanctioned by either the PCI SSC or any card scheme making up said body. The only documentation recognized for PCI DSS validation are the official AOC and RoC documents and thereof, it is suggested requesting the AOC document along with this compliance certificate.
